Ivano Agosta

Project Manager @Zenita Group S.p.A.
Syracuse, Sicily, Italy

Summary

Personally, I succeed in all the commitment I engage by producing quality products according to business needs. I worked in international companies using procedures and best practices in all activities. I manage projects, teams and partners in accord with the company vision and targets. I firmly believe that everybody can contribute to company business thanks to the experience and passion. I'm use to be compliant with all stakeholders needs, creating functional, technical and design documents. I apply Project Management methods in accord to PMP or Agile standards.
